

Need a home loan? Ask your area expert **Bianca Dancer.**

Negotiating a home loan can be a complicated and time-consuming process. This is when you need the experts on your side. By using ooba you have a 33% better chance of securing a home loan than by applying to your own bank directly, as ooba submits your application to up to 8 banks. Using ooba also takes the hassle out of applying for a home loan as ooba completes all the paperwork on your behalf. All of this at no cost to you!

Your local ooba expert is Bianca Dancer. Bianca has extensive home loans experience, gained during her seven years with ooba. Bianca started out as an assistant and, through her dedication and consistently high levels of performance, has risen through the ranks to her current position as home loan consultant. She is passionate about service, regardless how big or small the bond is, she believes each client deserves to experience "service excellence".
